

Western North Carolina Fibers/Handweavers Guild

The WNCFHG offers a scholarship(s) of up \$150, for the 2010 year, to members in good standing for one year. Tuition must be for fiber-related study to an accredited institution, development of skills at a fiber-related school, or pre-or post-conference workshops. It can also be used for related lab/materials fees, room, board and travel related expenses to the study. If awarded, it must be used within 18 months.

In return, you are required to perform two activities: You must display the skills you acquired, as a result of the award, to the Guild. You may teach a mini session, provide the program for a guild meeting, or pass on your knowledge in another way that is acceptable to the Guild. In addition, you must submit an informative article about the class/activity for the newsletter. Criteria for the selection of recipients will include the potential appeal of the information to a larger audience and a potential tie in to educational goals/themes set by the guild. For 2010 our goals are to increase inclusion of spinning and felting, and to support the demos and programs for the BRFS.

The Deadline For Applications To Be Received Is: April 15, 2010.
